

Contain-It™

Secondary Containment
Piping System

**Price List effective
Oct. 15, 2004**

George Fischer Sloane, Inc.

Our modern facility in Little Rock, Arkansas, is the manufacturing center of George Fischer in the Americas. With state-of-the-art molding and extrusion machines, as well as engineering and customer service, we provide the industrial piping system user with a diverse range of products and technical support.

George Fischer products can be found in a broad spectrum of industries, such as chemical processing, semiconductor, pharmaceutical, food, photographic, environmental technology, marine, metal finishing, water and waste water.

Through strategically placed regional warehouses, a well-trained technical sales force, and a network of stocking distributors, George Fischer Sloane provides viable solutions.

George Fischer, Inc. Tustin, California

George Fischer, Inc. is the sales facility of George Fischer high purity and industrial products in the Americas. The Tustin location offers customer and technical support, performs valve assembly, heat exchanger fabrication and distribution of George Fischer valves and piping systems. A Class 10,000 clean room offers custom fabrication of specialty components for the ultrapure water market.

George Fischer Signet, Inc. El Monte, California

George Fischer Signet is the engineering, manufacturing, and distribution facility for Signet instrumentation.

The technical information given in this publication implies no warranty of any kind and is subject to change without notice. Please consult our Terms and Conditions of Sale.

Glossary

- S = Contain-It Socket
- SPG = Spigot End (same dimension as pipe outside diameter)
- MPT = Male Pipe Thread
- FPT = Female Pipe Thread

Not for Use with Compressed Air or Gases

Do Not Test with Air or Air Over Water

George Fischer Sloane, Inc. **DOES NOT RECOMMEND** the use of thermoplastic piping products for systems to transport or store compressed air or gases, or the testing of thermoplastic piping systems with compressed air or gases in above or below ground locations. The use of George Fischer Sloane, Inc. products in compressed air or gas systems automatically voids the warranty for such products, and their use against our recommendation is entirely the responsibility and liability of the installer. George Fischer Sloane, Inc. will not accept responsibility for damage or impairment from its products, or other consequential or incidental damages caused by misapplication, incorrect assembly, and/or exposure to harmful substances or conditions.

General Terms and Conditions of Sale

George Fischer Sloane, Inc.

Order Acceptance

George Fischer Sloane, Inc. (hereafter "Seller") reserves the right to accept or reject orders.

Credit Approval

Seller must approve Customer's credit prior to sale. Seller may require payment in advance.

Minimum Order

\$100 net.

Freight

Normal domestic freight will be paid on pipe, valve, and fitting orders \$2,500 net or more. Fitting and valve orders will qualify for normal domestic freight allowed on orders of \$1,500 net or more. Freight allowed orders will be sent by a designated carrier/method of Seller's choice. Additional charges will be made for special handling, hotshot service, drop shipment, and air freight when requested.

Taxes

Seller charges Customer for all sales, excise and other taxes and governmental charges Seller is required to collect from Customer. Customers claiming exemption must furnish documentation required by law which is satisfactory to Seller to permit Seller to refrain from collecting such charges.

Broken Carton Charge

Seller may charge \$2 per each invoice line item reflecting sale of broken carton items.

Changes in Prices or Terms

Seller's prices, discounts and terms are subject to change without notice. Any terms and conditions specified on Customer's purchase order, if any, or any other communication which are in conflict with, inconsistent with, or in addition to these terms and conditions, shall be superseded by these terms and conditions, and shall not be binding upon Seller unless expressly agreed to in writing by Seller. Seller's failure to object to terms in any written communication from Customer will not be a waiver of any of these terms and conditions.

Terms

2% 15 Days, Net 30. This discount computed on invoice net of freight.

Other Charges

Customer agrees to pay all expenses of collection (including reasonable attorneys' fees). Upon Customer's failure to make timely payment, Seller reserves the right to terminate this agreement or an order, or to suspend further deliveries, in addition to all other remedies available to Seller. A service charge of 1½% per month on any unpaid balance, or, where unlawful, at the highest rate permitted by law, will be levied on past due accounts.

Special Packaging and Handling Charges

Seller packages and handles orders in the most economical manner. If Seller pays freight, Seller may hold shipment until all items become available. Customer bears extra cost of special packaging or handling requested by Customer.

Order Changes or Cancellations

Seller begins processing orders on receipt. Seller may charge Customer for costs of canceling or changing an order, and Seller may treat order changes as a new order subject to charges and terms applicable to new orders hereunder. Seller will not cancel orders for non-standard or custom produced fittings, valves or pipe if Seller already has produced the items or incurred expenses toward producing them at the time Customer seeks to cancel.

Delivery Dates/Disclaimer of Seller's Liability for Late Deliveries

Seller's delivery dates are estimates. Seller uses best efforts to meet such dates. HOWEVER, SELLER DISCLAIMS LIABILITY FOR CONSEQUENTIAL DAMAGES FROM LATE DELIVERIES UNLESS SELLER ASSUMES LIABILITY FOR SUCH DAMAGES IN WRITING WHEN ORDER IS PLACED. Further, Seller disclaims liability where delivery delays caused by strike, differences with workmen, or causes beyond Seller's control, including but not limited to fires, floods, accidents, government actions, shortages of labor, raw materials, production facilities, or transportation. Where delivery delays are caused by labor problems, Seller is not obligated to seek or obtain any settlement which, in Seller's judgment, is not in Seller's best interest.

Damage or Loss in Transit

Seller ships FOB point of shipment via common carrier, and disclaims liability for damage or loss after goods are delivered to the carrier.

Non-Conforming Shipments

Customer must notify Seller in writing within 7 days after receipt of shipments not conforming with Customer's order, stating specifically Customer's claim of non-conformity, or Customer is deemed to accept the shipment as is. If Seller is satisfied the shipment is non-conforming, Seller will (i) credit Customer for the price of defective goods or goods shipped but not ordered (including allocated outbound and return freight) upon return of the goods; (ii) promptly ship omitted items waiving Seller's new order charges.

Return of Goods

George Fischer Sloane, Inc. does not accept material for return for credit or replacement unless it is for the following reasons:

- a) Product warranty issues
- b) GFS shipping or order entry errors

Return requests must be submitted in writing. Approved requests will be issued an RMA number which must accompany all return shipments. Requests for returns that do not meet our standard terms must be reviewed by the Vice President of Sales or the Customer Service Manager for consideration.

Six Month Limited Warranty

Seller warrants to the project owner, contractor, or mechanic purchasing the goods herein that it will REPAIR OR REPLACE without charge products proved to have manufacturing defects within six (6) months of the date of delivery, and provided Seller, has been given an opportunity to inspect the product alleged to be defective and the installation or use thereof. No liability exists for improper use or installation of Seller's products. NO WARRANTY IS INCLUDED AGAINST ANY EXPENSE FOR REMOVAL, REINSTALLATION OR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM ANY DEFECT. THE ABOVE REMEDY IS EXCLUSIVE. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SELLER WILL NOT BE RESPONSIBLE FOR ANY DAMAGES OR OTHER CHARGES IN EXCESS OF THE PURCHASE PRICE PAID TO SELLER FOR THE PRODUCTS, WHETHER IN BREACH OF CONTRACT, WARRANTY OR TORT. Customer is responsible for compliance with all product warnings (including on Material Safety Data Sheets, if applicable) and instructions for use.

Governing Law. All orders shall be governed by Arkansas law, without regard to Arkansas conflict of laws rules. All claims or disputes between Customer and Seller shall be decided by the courts of the State of Arkansas.
